Medical Scholar

N S Narasimhayangar

In Receipt of 3rd July 1883 a Special Provincial Medical Scholarship of Rs 15/ a month was sanctioned for the above, a Matriculate of the Maharajah's High School, Mysore. to walk the Madras Medical College for 4 years

Memo sent

Order

An advance of Rs 135/ was made for the first year's fees and he joined on the 1st Oct But he immediately applied for 10 days leave which was refused Notwithstanding this he came away to Mysore and then sent the enclosed letter to the Principal who forwards it with the statement that the scholar has disqualified himself as he cannot now make up the deficiency of 10 days lectures for entry into the session

The case seems to be one that should be made an example of and so recommended for severe action

Your docket No 1616/2 — dated
30th August 1883

Subject

Has the honour to report
that N S Narasimha
Iyengar joined the
Medical College on the
1st Instant, and on
being

being refused the leave of 10 days, as applied for, left Madras and now writes a letter from Mysore dated 6th stating that he is very ill and under the treatment of a native Physician and further that he will require a month to get cured.

His conduct is very reprehensible, and his absence will, under the rules of the College disqualify him, as he must obtain 75 per cent of lectures to entitle him to a certificate at the end of the Session
